"LIDO Telecom Essentials: New Rules in the 2.0 Ecosystem: Here are some excerpts of what some of the attendees of the seminars have to say about attending one of LIDO's programs..."
Valerie Tan Hsu Phen, Regulatory Affairs, Orange Business Services, Singapore

"I enjoyed the futuristic & crystal ball into the future of technology. I came because of the reputation of the speaker and strong recommendation from peers."
Norshamsul Azizi Mohamed Nor, Senior Executive, Packet One Networks M Sdn Bhd, Malaysia

"Excellent seminar. It provided full elements on telecommunication, from the basic to the critical aspect. Very suitable for those who have limited technical background. The topics that it covers are beneficial for non-technical professionals."

Tse Yun Wei, Legal Counsel, Equant Pte Ltd., Singapore

"Sufficient level of details & basics to cater to all level of needs."

L.M. Hall, Solicitor, Clifford Chance, Hong Kong

"Ms. Goleniewski is a very interesting speaker and this is the most useful conference I have ever attended."

Jimmy Goh Yak Hong, Legal Counsel, Infocomm Development Authority, Singapore

"I came because of the reputation, expertise, and experience of the training provider. I enjoyed the sharing of information about latest trends, developments, thinking, technology in the telecoms industry & the participants."

Monika Rad, Associate Director-Business, PacNet, Singapore

"This seminar is exhaustive and focused at the same time."

Waleed Aljufri, Eng. Comms. Manager, Amiri Flight, U.A.E.

"I'm happy with this seminar as it relates to the work I do. I enjoyed the subject and detailed info."
Elvin Wan, Chief Regional Counsel-Asia Pacific, Orange Business Services, Singapore

"Good material! Lots of relevance of the topic to my role in the business."

Tamara Pastuszynska, Deputy CIT Operations Manager, Polska Telefonica, Poland

"Very good course. It gives technical basics in conjunction with a business perspective which is rare for most telecoms courses."

Jay Raman, Managing Director, Telecom Technology

"All topics were presented in a simple, easy to understand manner. Lillian's presentation skills are the best I have come across in the seminar circuits. Excellent supporting documents given for future reference."

"Seminar presented a wide range of elements in telecommunications, from basic to the critical. I was able to follow the presentation even with limited technical background."

Jack Ong, Commercial Services Section Manager, Hewlett Packard, Singapore

"All topics were presented in a simple, easy to understand manner. Lillian's presentation skills are the best I have come across in the seminar circuits! Excellent supporting documents given for future reference."
